#### ABOUT ME

I'm seeking a graphic design position within a company where I can use my creative and technical skills, collaborate in a respectful environment, and grow as a professional. Throughout my career, I have demonstrated a passion for making good art and design that communicates or promotes virtuous endeavors. I am self-motivated, driven to complete beautiful work, organized and conscientious about the details. I love to learn, become more efficient, collaborate, and help others succeed.

#### SUMMARY OF WORK EXPERIENCE

##### Graphic Designer & Artist 2000–current

- Designed effective promotional material for a variety of clients and employers.
- Served clients' needs through creative problem solving.
- Delivered projects within budget and deadline.
- Managed small business client relations, bookkeeping, and scheduling.

##### Art Teacher 2007–2018

- Developed and implemented an art curriculum for K–12th grade students.
- Provided support and taught art and art history lessons to teachers.
- Managed class registration, marketing, bookkeeping and purchasing.
- Taught over 500 classroom hours in various education venues.
- Built website with downloadable lessons for sale at [Everyone Can Make Art!](#)
